

# NOTICE OF PUBLIC MEETING

## To be held by Canadian Solar Solutions Inc. & UC Solar Ltd. regarding a Proposal to Engage in a Renewable Energy Project

**Project Name:** 2176050 Solar Energy Project

**Project Applicant:** Canadian Solar Solutions Inc. & UC Solar Ltd.

**Project Location:** The Project is located on County Road 29, near Spring Valley, Township of Elizabethtown-Kitley.

**Dated at the Township of Elizabethtown-Kitley this the 9th day of September 2011**

UC Solar Ltd. in partnership with Canadian Solar Solutions Inc. is planning to engage in a renewable energy Project in respect of which the issuance of a renewable energy approval is required. The proposal to engage in this Project and the Project itself is subject to the provisions of the Environmental Protection Act (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice must be distributed in accordance with section 15 of the Regulation prior to applications being submitted and assessed for completeness by the Ministry of Environment.

This Final Public Meeting is being held to provide information on the Project. The Meeting will be an Open House format. You are welcome to drop in anytime during the hours noted below.

**Public Meeting Location:**

**Date:** Wednesday, November 9, 2011

**Time:** 6:00 pm to 8:00 pm

**Place:** Cedar Valley Golf and Country Club, 7041 County Rd 29, Forthton, ON,

**Project Description:**

Pursuant to the Act and Regulation, the facility, in respect of which this Project is to be engaged in, is a Class 3 Solar Facility. If approved, this facility would have a total maximum name plate capacity of 9 MW. The project location is described in the map below.

**Documents for Public Inspection:**

The Draft Project Description Report, titled Canadian Solar Solutions Inc. & UC Solar Ltd. 2176050 Solar Energy Project - Project Description Report, describes the Project as a solar electric generating facility that will utilize photovoltaic (PV) panels installed on fixed racking structures. DC electricity generated from the PV panels is converted to AC electricity by an inverter. The voltage level of the AC electricity produced by the inverter is stepped-up to distribution level voltages by a series of transformers. A written copy of the Draft Project Description Report was made available for public inspection on August 14, 2010, at the Township of Elizabethtown-Kitley, and United Counties of Leeds and Grenville municipal offices, or [www.canadian-solar.ca/press/projects](http://www.canadian-solar.ca/press/projects).

Further, the applicant has obtained or prepared, as the case may be, other supporting documents in order to comply with the requirements of the Act and Regulation. Written copies of the draft supporting documents will be made available for public inspection on September 9, 2011, at your local municipal offices of the Township of Elizabethtown-Kitley, 6544 New Dublin Road, Addison and the United Counties of Leeds and Grenville, 25 Central Avenue West, Brockville, or on-line at [www.canadian-solar.ca/press/projects](http://www.canadian-solar.ca/press/projects).
