Dear Proponent:

This letter constitutes the Ministry of Tourism and Culture's written comments as required by s. 22(3)(a) of O. Reg. 359/09 under the *Environmental Protection Act* regarding archaeological assessments undertaken for the above project.

Based on the information contained in the report(s) you have submitted for this project, the Ministry believes the archaeological assessment complies with the *Ontario Heritage Act's* licensing requirements, including the licence terms and conditions and the Ministry's 1993 Archaeological Assessment Technical Guidelines. Please note that the Ministry makes no representation or warranty as to the completeness, accuracy or quality of the Report(s).\*

Archaeological Assessment Report completed under P027-137-2011, *REVISED: Stage 1 Archaeological Assessment, Liskeard 1 Solar Farm, Part Lot 5, Conc. 2S - Former Dymond Township, Parcel 3474TEM, City of Temiskaming Shores, District of Timiskaming (former District of Nipissing) FIT #FCH0343, Original Report.*, recommends the following:

*Based upon the background research of past and present conditions, the following is recommended:*

- *The area identified as exhibiting archaeological potential (Figure 10) must be subject to a Stage 2 archaeological assessment prior to any development disturbance as it pertains to the 2011 Standards and Guidelines regarding northern Ontario properties;*
- *The remainder of the area is considered to exhibit low archaeological potential and no further archaeological assessment is required.*

Archaeological Assessment Report completed under PIF P052-316-2011, *Stage 2 Archaeological Assessment for Liskeard 1 Solar Farm, Part of Lot 5, Concession 2S, Parcel 3474TEM, City of Temiskaming Shores, District of Timiskaming*, recommends the following:

*The Stage 2 survey did not identify any archaeological sites requiring further assessment or mitigation of impacts and it is recommended that no further archaeological assessment of the property be required.*

The Ministry is satisfied with these recommendations.

This letter does not waive any requirements which you may have under the Ontario *Heritage Act*. A separate letter addressing archaeological licensing obligations under the Act will be sent to the archaeologist who completed the assessment and will be copied to you.

This letter constitutes the Ministry's written comments regarding archaeological assessments undertaken for the project for the purposes of O. Reg 359/09. This letter does not constitute approval of the renewable energy project. Approvals of the project may be required under other statutes and regulations. It is your responsibility to obtain any necessary approvals or licences.

Please feel free to contact me if you have questions or require additional information.

Sincerely,

Andrew Hinshelwood  
Archaeology Review Officer

Dear Proponent:

This letter constitutes the Ministry of Tourism and Culture's written comments as required by s. 22(3)(a) of O. Reg. 359/09 under the *Environmental Protection Act* regarding archaeological assessments undertaken for the above project.

Based on the information contained in the report(s) you have submitted for this project, the Ministry believes the archaeological assessment complies with the *Ontario Heritage Act's* licensing requirements, including the licence terms and conditions and the Ministry's 1993 Archaeological Assessment Technical Guidelines. Please note that the Ministry makes no representation or warranty as to the completeness, accuracy or quality of the Report(s).\*

Archaeological Assessment Report completed under P027-138-2011, *Stage 1 Archaeological Assessment Liskeard 3 Solar Farm, Lot 5, Conc. 6 - Former Bucke Township, POL. 2889, City of Temiskaming Shores, District of Timiskaming, FIT #F-000690-SPV-13-505, Revised Report.*, recommends the following:

*Based upon the background research of past and present conditions, the following is*

*recommended:*

- *The area (the entire study area) identified as exhibiting archaeological potential (Figure 9) must be subject to a Stage 2 archaeological assessment prior to any development disturbance as it pertains to the 2011 Standards and Guidelines regarding northern Ontario properties.*

Archaeological Assessment Report completed under PIF P052-317-2011, *Stage 2 Archaeological Assessment for Liskeard 3 Solar Farm, Part of Lot 5, Concession 6, Former Bucke Township, POL. 2889 City of Temiskaming Shores, District of Timiskaming.*, recommends the following:

*The Stage 2 survey did not identify any archaeological sites requiring further assessment or mitigation of impacts and it is recommended that no further archaeological assessment of the property be required.*

The Ministry is satisfied with these recommendations.

This letter does not waive any requirements which you may have under the Ontario *Heritage Act*. A separate letter addressing archaeological licensing obligations under the Act will be sent to the archaeologist who completed the assessment and will be copied to you.

This letter constitutes the Ministry's written comments regarding archaeological assessments undertaken for the project for the purposes of O. Reg 359/09. This letter does not constitute approval of the renewable energy project. Approvals of the project may be required under other statutes and regulations.
