

NOTICE OF PROPOSAL

by Saturn Power Inc. & Canadian Solar Solutions Inc. to Engage in a Renewable Energy Project and Notice of Posting to Environmental Registry

Project Name: William Rutley Solar Park

Project Location: The Project is located on Colonial Drive, near Ingleside in the Township of South Stormont.

Dated at the Township of South Stormont this the 25th day of November 2011

Saturn Power Inc. in partnership with Canadian Solar Solutions Inc. is planning to engage in a renewable energy Project in respect of which the issuance of a renewable energy approval is required. The proposal to engage in this Project and the Project itself is subject to the provisions of the Environmental Protection Act (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice must be distributed in accordance with section 15.1 of the Regulation following the posting of the project on the environmental registry.

Project Description:

Pursuant to the Act and Regulation, the facility, in respect of which this Project is to be engaged in, is a Class 3 Solar Facility. If approved, this facility would have a total maximum name plate capacity of 10 MW. The project location is described in the map below.

A proposal for a renewable energy approval in respect of the renewable energy project has been posted on the environmental registry (www.ebr.gov.on.ca, Registry Number: 011-5160). Comments in respect of the proposal may be submitted to the individual listed under "Contact" on the environmental registry posting.

Documents for Public Inspection:

The applicant has obtained or prepared, as the case may be, supporting documents in order to comply with the requirements of the Act and Regulation. Electronic copies of the final versions of the supporting documents have been made available for public inspection on November 25, 2011, at: www.canadian-solar.ca/press/projects.
